Coach Cora's Corner — COACH'S APPRECIATION

RGA coaches loved sharing gifts during Dec./Jan. Appreciation Activity. Rain"bows" hand made by coaches and family, are perfect for making sure our hair is securely tied away from eyes and shoulders during class. The Rainbow Pencils and goodies are reminders of how grateful RGA is to have our devoted members return, welcoming new members to gymnastics. The excited smiles of keiki and parents confirm Rainbow's "why" moving forward into 2021.

Despite 2020 setbacks, RGA Coaches are the Brightest Rainbow, each patiently awaiting for the green light to return. The coaches are familiar faces for their students, examples of leadership, taking personal care into implementing RGA's Safety Policies and Guidelines, along with sharing passion and love of gymnastics into the hearts of the students.
