MAKING TIME FOR GYM - Rainbow's Why

Coach Cora's Corner

Mahalo RGA Families for choosing gymnastics, your healthy choice for keeping children moving and active.

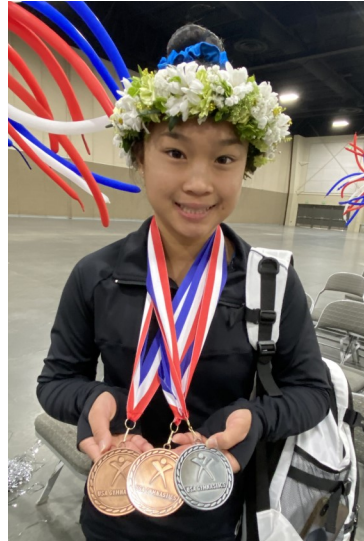

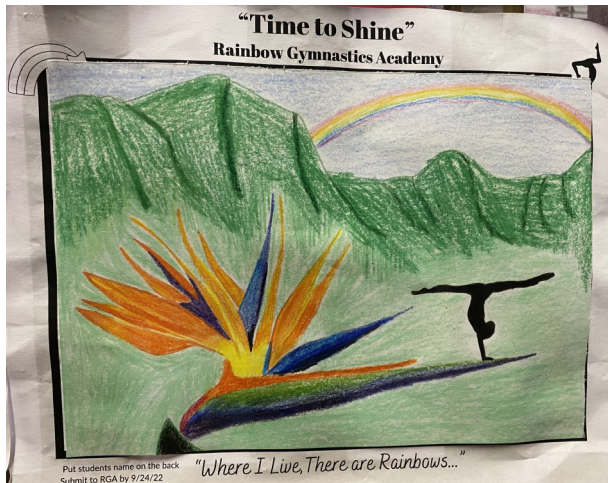

Not only is this a statement that exercise is important for excellent health and fitness, it's a lifestyle priority, children gain from parental support of this ideal. Established September, 1985, "why Rainbow" was chosen as a business name...Rainbows are symbol of hope, love, and natural beauty, reflecting grace of living in beautiful Hawai'i. Diverse cultures and multi unique individuals, create a truly infinite beautiful Rainbow. Stronger Together Hawai'i lifestyles thrive. Demonstrating strength and determination, Rainbow strives to promote leadership through the generations. Rainbow's reward is serving well, as a guiding light, focusing on all that we can do "NOW" to keep Rainbow a "happy place" teaching with Knowledge, Vision, Faith, and Aloha...Rainbow Style.

While having fun in the gym, what a great way to get off the couch or screen, gain confidence, set goals to be the best version of yourself while participating in a sport that is inside out, upside down, awesome. Rainbow is thankful for our Health, Ohana, Staff, Students, Community, Harbor Center Neighbors and Facility.

Blessed to provide opportunities to share in what we love . . . **GYMNASTICS!**

As we know, commitment and active participation is the key. You're an example of this leadership dedication and a true inspiration to those who mean most, our keiki. Continue to devoting "Q" time, creating precious memories with ohana and friends. Moving directly into 2023 and beyond... Mahalo Nui Loa and Aloha, *Coach Cora*
